

ARMWRESTLING

Bill Sinks, (802) 777-3049

Friday, August 11, 2017 — LOCATION: Show Tent

YOUTH TOURNAMENT

Sign up begins at 4:00-5:00 p.m. — Tournament Begins: 5:00 p.m.

ADULT TOURNAMENT

Weigh Ins begin at 5:00 p.m. — Tournament Begins: 7:00 p.m.

Armrestling has been a great success and a lot of fun at Field Days for over 35 years now. The tournaments will be held in the big show tent, which is located at the entrance to the grounds. This will provide much needed space and accommodate the spectators with bleachers and a stage. Entry for youth is free. Medals to third place will be given and all will receive participant ribbons. Adult entry fee is \$10. Nice championship jackets will be given to first place winners and trophies to 2nd and 3rd place winners. We continue to add additional classes to accommodate the increased participation. Come join the fun!

ANTIQUE EQUIPMENT EXHIBIT

DIRECTOR: Bill Roleau, 453-3713

The Antique area at Addison County Fair and Field Days is one of the finest in New England. Displays are housed in a local barn that was dismantled and reassembled on the grounds in 1993. The Antique area has many motion exhibits which consist of thrashing grain, baling straw, milling corn, sawing shingles on a circular saw mill, cutting firewood with a drag saw powered both by horse and a single cylinder engine. Also, many outdoor exhibits that are powered by horses. Those include reaping and binding, sickle bar mowing, tedding hay,

raking hay and using a hay loader. This year the Green Mountain Teamsters will be there to help with the Antique Equipment Area demonstrations. There is also an overflowing tent of local antique tractors. Many of which were and still are used on local farms. A new addition in 2009 was a Blacksmith shop that has daily displays. This area has many new additions each year so make sure you include a stop here during your trip to the fair!!
